## DAY 1

### Sensational Skylands Region

Aficionados appreciate that while just the fourth-smallest state, New Jersey ranks among the nation's most prolific wine producers, thanks to a diverse geography and climate yielding 40+ varietals.

Savor your choices—and the ambience—in our "Great Northwest." The Skylands Region showcases landscapes of lakes, rivers and farm-dotted hills, spectacular for unwinding and playing outdoors.

Visit panoramic **Villa Milagro Vineyards** (Phillipsburg, Warren County). Even better, ride the **Warren County Winery Train** there, along the Delaware River. Learn the winemaking process, try delicious wines and hors d'oeuvres, and stop to pan for real gemstones at **Ol' Susquehanna Mine**.

For a more hands-on, long-range option, go grape-to-glass creating your own wine at **Winemakers of Somerset** (Hillsborough Township).
