Venue

Located at the confluence of the Delaware Bay, Salem and Delaware Rivers, **The Inn** is a modern indoor-outdoor venue that is ready to host your next event!

Photo shoot on Elsinboro beach

Our unique venue allows you to bring your vision to life. Our Great Room is open, with wooden vaulted ceilings and large folding glass doors, that lend way to views of the river and the most spectacular sunsets. Our venue capacity is 25-110 with a dance floor, and with good company it's the perfect recipe for a great time.

Sense the meaning of *hygge* - the Danish notion that is all about warmth, friendliness, happiness and a sense of wellbeing that comes from family, friends and a connection with nature.

The party never ends at The Inn. You can stay and savor the moments of the day in one of our 3 overnight rooms. Venue rental prices depend on type of event, duration, day of the week, time of the year and number of guests.
