# Top 10 Things to Do in Jersey City

## Liberty Science Center

Supercharge your fun learning at the interactive science center, home of the largest and most technologically advanced planetarium in the Western hemisphere. Four floors, hundreds of family-friendly, hands-on exhibits await. Balance on an I-beam 18 feet from the ground. Discover concepts about Earth, the universe, and animals. Experience a movie in the nation's largest IMAX Dome Theater. View live demonstrations and new activities daily.

## Statue of Liberty and Ellis Island

Lady Liberty resides in Jersey City. She's ½ mile offshore but 2 miles from NYC; Ellis Island is even closer! To visit both, board the ferry by the historic Central Railroad Terminal in Liberty State Park where nearly 9 million immigrants entered the United States to build new lives. The lines are shorter here!

## RPM Raceway

Fuel your need for speed. Climb into the fastest electric karts in the U.S. at RPM Raceway's 80,000 square-foot indoor karting venue located at 99 Caven Point Road. Tap into your inner Danica Patrick or Dale Earnhardt. The NASCAR developed tracks transport you to raceway euphoria. Pedal to the metal!

## Liberty State Park

Play, relax, picnic, and explore Liberty State Park, more than 1,200 acres of green space nestled along the Hudson River, with spectacular views of Manhattan. The environmental jewel of Jersey City, the park also brims with historical landmarks such as Central Railroad Terminal—the gateway to the Statue of Liberty and Ellis Island. Enjoy Liberty Science Center. Stroll through the Liberation and 9/11 Empty Sky memorials and the 18.5 mile Hudson River Waterfront Walkway. Get your speed on at RPM Raceway.

Packed with parks, Jersey City features outdoor recreational spaces for adventure, relaxation, and family fun. Newport Green, a 4 ¼-acre park on the Hudson River waterfront boasts a mini water park, carousel, and a beach. At Reservoir No. 3 in the Heights section of the city, you can fish, canoe or kick back and enjoy nature. When temperatures drop, take a twirl around the Pershing Field Ice Rink or Newport Skates.
